

Your Trusted Partner for Construction Projects

Since 2004, The Doorman has been a reliable partner for construction companies across Central and Western New South Wales and their projects wherever they may be. Our expertise in delivering high-volume, custom door solutions helps ensure your projects meet quality, safety, and regulatory standards on time and within budget.

What We Offer:

- A wide range of quality door solutions from bulk residential garage doors for retirement villages to fire-rated shutters and high cycle carparks - all designed to meet your exact specifications.
- Obligation-free, advice and quotes that meet your tender timelines
- Compliance: Our doors are designed meet all relevant standards
- Experienced technicians: site inducted with relevant licenses and cards
- Flexible project coordination: We work closely with estimators, contract and project managers and site supervisors to coordinate smooth installations that fit your schedule, minimising delays and disruptions.
- Documentation to suit your project needs
 - Project Safety Plans, SWMS, SWIs and SDS
 - Inspection test plans
 - Installation certificates
 - Installed equipment registers
 - Specification sheets
 - Manuals and recommended maintenance schedules

Why Choose The Doorman?

At The Doorman, we understand the unique challenges of construction projects. Our flexibility, reliable service, and commitment to compliance make us a trusted partner for long-term success.
